A letter from the desk of Administration

Greetings to All -

I hope everyone enjoyed the outdoor luau last month in the courtyard. There were a few diehard families and residents who stayed and listed to the band until the end! Kudos again to the staff and managers who organized, worked, and cleaned up the event – it couldn't have been done without you!

We are excited to announce a management change here at Brompton Heights! Tamara Robinson, current Assistant Director of Patient Care, has accepted the Director of Patient Care position. Tamara's experience and passion will continue to have positive effects on the care provided in our facility. Please help me congratulate Tamara in her new role!

Go Bills!

Resident of the month

Lesley Holmes is our Resident of the Month for September

Lesley was born and raised in Manchester, England. She grew up with two sisters and had a government job with the telephone company. Eventually Lesley came to the United States after marrying her husband. Her husband was her next door neighbor in England. They lived in Lakeview NY. They had one son and have a granddaughter. Some of Lesley's favorite activities are reading, knitting, gardening, trivia games, and crossword puzzles. She also volunteered for her church and traveled with her son's hockey team.

Congratulations!

Peak Performer of the month

Ariana Robinson is our Peak Performer for September

Ariana was born and raised in Buffalo. After attending Buffalo schools, she worked in a meat market for 18 years. The light of her life is her son who is three years old. Some of Ariana's favorite activities are music, TV watching, and of course, spending time with her son. Ariana has been Brompton's receptionist for a year now and she enjoys helping the residents when needed and being with the staff.

Congratulations Ariana for being selected as our peak performer for September.
