A letter from the desk of Administration

Greetings to All -

I have to say that the weather events this winter have been one of the most unusual in recent history – a major snowstorm, a blizzard and an ice storm! Third time's a charm definitely doesn't apply here.

We are seeing Covid-19 restrictions being lifted in our community, however, please be aware that we are a health care facility under regulation of the New York State Health Department and still require masks and health screenings prior to entry.

As always, please continue to reach out to us if you have any questions or concerns about any of the goings-on here at Brompton Heights, we will respond in kind. It is our goal to maintain open lines of communication with you and your loved ones.

Happy St. Patrick's Day and Think Spring!

Resident of the month

Gail Hamilton is our Resident of the Month for March

Gail was born and raised in Kenmore and graduated from Kenmore West. She went to Potsdam for two years and then graduated from the University of Buffalo with a degree in Social Work. Gail worked for social services for five years and then got into the real estate business. She married, had two sons and three grandchildren. Some of Gail's hobbies are reading, traveling the world, card playing and always spending time with family and friends. Gail also leads our pinochle card playing club here at Brompton Heights.

Congratulations !

Peak Performer of the month

Carlos Robinson is our Peak Performer for March

Carlos is a PCA who loves making a difference in our resident's lives. After graduating high school in Marshall, Michigan in 2017, he relocated to Buffalo and came to Brompton in May 2022. One of Carlos's favorite quotes is:

"Life doesn't matter when there's no purpose to it. Be the difference."
Thank you Carlos for making a difference in our residents lives!

Congratulations!
