A Note From Our Executive Director:

Greetings to All -

We hope you like our 'new look' newsletter with clearer pictures and an easy-to-read format. A big thank you to Trisha Williams, Activity Director, for your hard work on this update!

I would like to announce that Dottie Murphy has started as our new Admissions Director, she comes to us with many years of experience in healthcare and admissions. We look forward to what the future holds. Welcome Dottie!

I know it was a disappointing end to the Bills season for all fans of the team, AGAIN, but they'll be back and better than ever... "There's always next year!"

As always, please reach out to any of the managers if you have questions or concerns about the goings-on here at Brompton Heights, we will respond in kind.

Resident Of The Month

Mike Gabala has called Brompton Heights his home for just over a year. After a long career as an engineer with the phone company, Mike choose to retire to the Buffalo area to be closer to his daughter and granddaughter. In his free time you'll find Mike on this laptop or listening to the Beatles, Stones, and the other classic rockers of his youth. Thank you for choosing us as your new home.

Congrats!

Employee Of The Month

Thank You!

Roz Evens, has been with us for just shy of 22 years! Not only is she dedicated to Brompton and our residents, she is also an avid reader, loves going to thrift stops, and spending the rest of her free time with her 7 children and her grand daughter. Thank you Roz for showing how much you care every day!

Important Resident News

This past Resident Council it was announced that our current Vice President, Marilyn Todd, will be stepping down. We are holding a special election during February's Council Meeting on the 20th of February.

Thank you Marilyn for your service and your time given.

If you would like to 'throw in your hat' and run for the Vice President seat of resident council please see before the 14th of February. David Douglas (Resident Council President), Marilyn Todd (Resident Council Vice President), or Trisha Williams (Recreations Director).

A Healthy Tip from the DON's Desk

- **Sick and tired of being sick and tired?**

Handwashing:

Scrub your hands for at least 20 seconds with warm water.

This is the magic time to get rid of those nasty germs!!

Try humming the "Happy Birthday" song 2x as your timer!

And don't forget the back of your hands and under your nails
