A Note From Our Executive Director:

Greetings to All - There are signs of Spring around the facility with the crocus and daffodils popping up and the temperatures rising, albeit slowly. Hopefully we've seen the last of the white stuff for a while. The renovations to our E-wing are ongoing with wall painting and installation of electrical fixtures and doors being completed. We are anticipating a May 2025 grand opening, so stay tuned for more updates to this project! We are in the beginning stages of planning our August picnic which is beachy, whoops sorry, peachy keen!

Happy Easter!

A Healthy Tip from the DON's Desk

As the spring weather approaches, encourage yourself and friends to spend more time outside. Nearly 50% of Buffalo residents have insufficient vitamin D levels. Whether it's sitting outside or going for a short stroll in the court yard, make sure you soak up the rays! (but don't forget to put on the sunscreen!)
