A Note From Our Executive Director:

Greetings to All -

It has been such an interesting Spring in terms of weather, it goes from warm & sunny to cold & snowing just like that. I even remember it snowing on Mother's Day just a few years back! We are over half done with our major renovations in our two-story East wing. The first floor is getting its finishing touches with cabinetry and flooring being installed while the second floor is nearly complete with wallboard. As we near the finish line, plan on some guided tours of the area as well as a grand opening event! Speaking of events, the management team met as a group earlier this week to discuss all our upcoming facility events for the year. It will be a fun time, stay tuned! Happy Mother's Day and Memorial Day!

Important News for Friends & Family

This Mother's Day we will be celebrated on Friday the 9th. We would like to extend an invitation to you for Tea and a treat on the 9th at 2pm in the Recreation Room.

If you and your family would like to join your mom, aunt, sister, or other loved lady in your life for the tea party, PLEASE RSVP to Trisha Williams, Director of Recreation, at twilliams@bromptonheights.com or call (716) 634-5734 x339.

Resident Of The Month

Mary Walker moved in with us about 2 ½ years ago from the home her husband built in 1959! Mary has 4 children (who visit daily), 7 grandchildren, and 5 great grandchildren. Mary was a prolific knitter and sewer. She made masks and donated them during COVID as well as knitting hats and donating them to children in need. As well as playing the piano she also played for our residents and staff during the Christmas snow storm. Thank you Mary for choosing us as part of your amazing life.

Thank You!

Employee Of The Month

Tara (no relation to Tina 😊, but did work for one of her relations) Turner, has been with Brompton for 2 years now and states she loves it here, especially her residents in Kerr Hall!! When Tara is not at work she is spending time with her children, 3 grandchildren, playing Bingo, traveling, or at the beach! Tara's smile is infectious as is her quality of work. Thank you Tara for your dedication and care!!

Congrats!

 with BeWitch Buffalo

A Healthy Tip from the DON's Desk

Now that spring is here and the weather is getting warm, we're able to spend quality time out doors! Lets not forget about spring cleaning, especially our winter clothing. Let's work together with the staff along with our family and friends to switch out our winter clothes for our spring/summer ones! (and don't forget to check the labels! If they are missing or hard to read our laundry staff will gladly fix them!!)

Erica Terzian

Erica Terzian, RN

Thank you!

Thank you to Lois and her son, Russell, for the donations of the daffodils that Lois had planted in her back yard! They were a lovely addition to our Easter tables.
